JACKFRUIT

10/10 WOULD RECOMMEND
FEB 2017

so good. It tastes like a subtle mango, except now you have the power of ten thousand mangoes. young jackfruit can also be used as a meat substitute.
can you imagine one of these falling on your head? they can weigh over 100lbs x-x

A plant in someone's yard
unfortunately, I have no idea what this is
⚠️ NO CLUE IF EDIBLE ⚠️

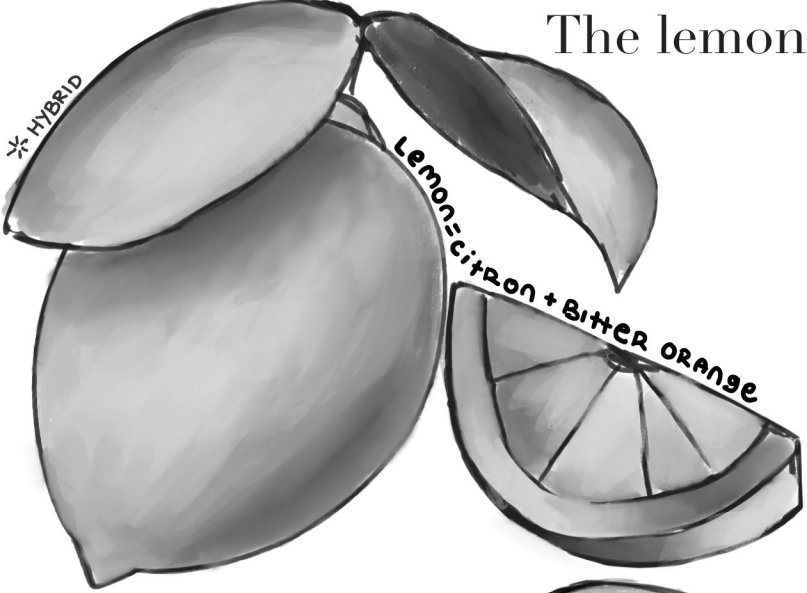

MAY 2017

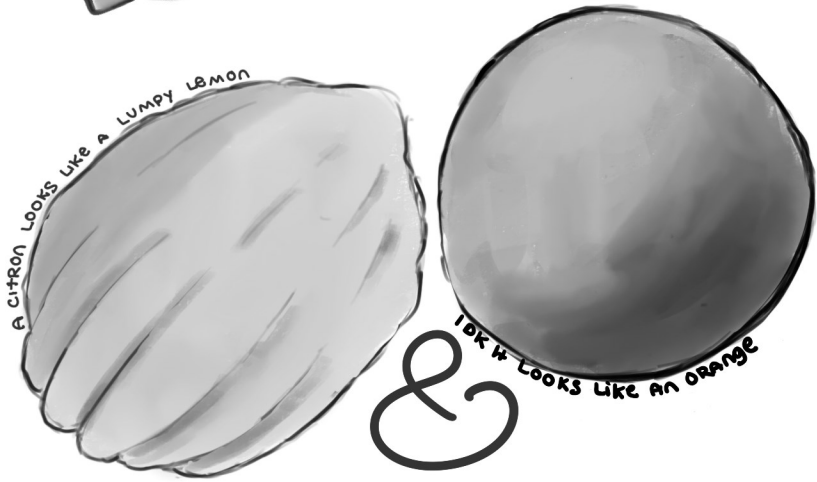

this was such a depressing time. days after I took this photo, the person I took this with had a psychotic break. to see someone go from "normal" to being involuntarily committed was traumatizing, to put it mildly.
He's good now, but at the time I thought he would be like that forever.

PSA: Don't withdraw from weed, microdose LSD for 2 weeks, and stress about graduating & moving back to your home country, folks.
